

Permission form - leaving and collecting your child from the pool or gym area.

Season 2023/2024

The safety of your child is a prime concern for the club, for this reason we ask for your full cooperation with the implementation of this form which has been written in conjunction with the Wavepower codes of conduct, updated in Jan 2024. The committee supports the safety of each child within the club, working in partnership with parents and carers.

The current codes of conduct state for:

Athletes all ages

Never leave the premises (at either training or a competition) without agreeing it with your coach, teacher or team manager first. This is just as important for our adult members as well as those under 18.

Make it to training and competitions on time and if you're running late, let a member of the club know.

Parents and Carers

Let the club know if you're running late to collect your child, if your child is going home with someone else or you have made alternative arrangements.

As parents we would recommend that for younger children they are taken to the session, and parents and carers ensure they have entered the pool or gym area safely to be registered for the session.

If you wish to your child to leave by themselves either the pool or gym area unaccompanied by you, please complete the following permission form as soon as possible, if this section of the form is not completed you will be expected to collect your child from each session. Please can all parents update emergency contact details for your child, in the event that you are unavoidably detained.

Please note that swimmers who are collected late will be noted for each session, and as a committee we are reviewing a fee to cover coaching time supporting persistent late collections from each session. This fee is likely to be £5 per child per session.

1. Swimmer:

Team:

2. Waiver / Collection of swimmer.

I do give permission for my child to leave each session without a parent or carer present within the building.

Signed:

Parent / Guardian
